

March 17th, 2020

To Our Valued Patients,

With all the rising concerns in regard to the Coronavirus, our team at Pure Health Dental want to assure you that our team is dedicated to our patient's and team member's health and wellness.

On Monday, March 16th, the Dental Board released an advisory pertaining to COVID-19 ([Ohio State Dental Board](#)). The advisory discusses limitations on the types of procedures performed and ultimately serves as an additional precautionary measure.

As healthcare professionals, it is our duty to be available for those in need of treatment, while ensuring the safety of our community, patients, and employees. As a response, we will limit our hours of operation and locations over the next two weeks as a precaution.

Any upcoming appointments deemed elective, such as routine hygiene visits will be rescheduled 2-3 weeks out. Our team will reach out to you if there is a need to reschedule your upcoming appointment.

Cuyahoga Falls, Garfield Heights, and Bucyrus locations will be open and available to see all appointments deemed necessary for healthy oral function and to accommodate emergency appointments types (see temporary schedule below).

Note: All offices are and will be available to answer phone calls, schedule patients, and perform day to day clerical duties.

We truly apologize immensely for the inconvenience, but during this time of crisis, we would like to adhere to all government recommendations and putting the health of our patients and team members first!

We are still accepting new patients and making appointments for April 2020 forward.

We plan to resume normal operations within a few weeks; however, this will be evaluated on a week to week basis. That being said, if are in need of an appointment, please call your office to schedule and avoid delay as we are filling next month's schedules quickly due to current limitations.

Thank you for your understanding and your continued support!!
