

## OHIO'S OWN COMMUNITY DENTAL GROUP

# Here are some of our commitments toward your health and safety

### DAILY PRACTICE GUIDELINES

- Wellness checks done daily on every team member to ensure they don't have a high temperature or any Covid-19 symptoms
- Wellness checks done on every patient prior to and upon entering the practice
- Social Distancing guidelines followed in waiting rooms 
- Waiting room and entire office disinfected between each patient
- Office is professionally sanitized and sprayed with CDC recommended Covid-19 prevention solution
- All team members follow all OSHA, CDC and Ohio State Board Regulations
- Utilization of high volume evacuation system to lessen aerosols
- Proper PPE for all team members
- All patients receive a pre-procedural professional rinse
- Disinfectant spray done between each patient that eliminates 99.9% of any Covid-19, Sars family virus
