

Dear Valued Patients,

2020 has definitely been a challenging year for the world. We hope that this message finds you and your family safe and in good health. To finish off the year, we have an exclusive offer for you.

Additionally, if you have dental insurance please take advantage of your benefits and help us maximize them for you. **Your dental benefits are Use it or Lose it!** Every year you receive a maximum amount from your insurance company, and in most cases the unused portion of this amount is lost when the new year starts. These are benefits you have already paid for!

If you have funds set aside in a **flexible spending account (FSA)** or **healthcare saving account (HSA)**, now is the time to schedule and complete treatment so your co-payment amounts can be applied to this year's deduction. Additionally, to make it easy we are also accepting Care Credit for all your dental treatment financing.

Call us today to make an appointment and take advantage of this **exclusive** end of the year offer.

Thank you for your loyalty as we are here to serve you!!
